TASKBOARD

Product Backlog	In Progress	Completed
• Create PowerPoint presentation for our business. • Showcase Uniworks to coordinators.	• Writing project documentation (Problem, Solution, Business idea) in PowerPoint presentation. • Find out what we still need to do to make our marketplace come to life.	• Team roles assigned • Problem identified and defined (Students needing to monetize their unused skills) • Surveys of random students find out what their main problem is. • Business ideas, Uniworks developed and structured. • Agile Team Charter draft completed

WALKTHROUGH

1. What do we need to do to advance this piece of work?	We need to complete the remaining documentation sections, finalize the UI/UX design, and begin structuring the prototype for the Uniworks platform.
2. Is anyone working on anything that is not on the board?	No. All tasks are currently aligned with the Product Backlog, In Progress, or Completed sections.
3. What do we need to finish as a team?	We still need to create wireframes for our marketplace as well as start coding the front end and back end of it.
4. Are there any bottlenecks or blockers to the flow of work?	No, we don’t have any.

LOGBOOK

Date:	13-July-2026	
Monday	1. What did I complete since the last standup?	
	2. What am I planning to complete between now and the next standup?	
	3. What are my impediments (or risks or problems)?	

Date:	14-July-2026	
Tuesday	1. What did I complete since the last standup?	• Held a meeting with my group members to discuss our project and plan how we were going to present it. • Assigned presentation roles and ensured everyone understood their responsibilities.
	2. What am I planning to complete between now and the next standup?	• Check that all project files and presentation slides are complete. • Ensure every group member is ready for the presentation.
	3. What are my impediments (or risks or problems)?	• Some members still needed to practice their presentation sections. • Limited time to prepare before the presentation.

Date:	15-July-2026	
Wednesday	1. What did I complete since the last standup?	• Verified that everything was ready for our Uniwork project. • Reviewed the presentation slides and confirmed that all required work had been completed.
	2. What am I planning to complete between now and the next standup?	• Deliver the project presentation with my group. • Support the team during the presentation.

	3. What are my impediments (or risks or problems)?	• There was a risk of technical issues during the presentation. • Limited time for a final rehearsal.

Date:	16-July-2026	
Thursday	1. What did I complete since the last standup?	• Presented the project with my group members. • Took the lead in managing the presentation despite unexpected technical issues.
	2. What am I planning to complete between now and the next standup?	• Request a second opportunity to present the project. • Prepare the group for the next presentation session.
	3. What are my impediments (or risks or problems)?	• Technical issues affected our presentation and made us appear unprepared. • The presentation did not reflect the quality of the work we had completed.

Date:	17-July-2026	
Friday	1. What did I complete since the last standup?	• Requested a second chance from the lecturer to present our project after the technical issues experienced on Thursday. • Informed my group members about the rescheduled presentation.
	2. What am I planning to complete between now and the next standup?	• Continue preparing the group while waiting for a new presentation date. • Ensure everyone is ready when the presentation is rescheduled.
	3. What are my impediments (or risks or problems)? 4.	• The class was cancelled, so we could not deliver the rescheduled presentation. • We had to wait for another opportunity to present our project.
